CARLOTTA AWARD SECOND EDITION 2022

Carlotta Award Second Edition
at International Conference "From Seed to
Pasta IV" (FSTP4)
Bologna - 26/28 October 2022

The prize "Carlotta Award 2022" for young researchers is reserved exclusively for women, under 40 at the deadline submission. The application must consist of an abstract describing original work, accompanied by a detailed *curriculum vitae* and list of publications.

The winners will be selected by a special jury of experts and, in case of the same judgment between two (or more) candidates, the youngest will be entitled to the prize as an incentive to her scientific and professional growth.

For the second edition, the 4 prizes will be focused on the two following (a) and (b) issues, related respectively to the main thematic areas 1-5 (a) and 6-8 (b) of the International Congress FSTP-4:

- a) wheat genetics, genomics and breeding;
- b) sustainable wheat production for food security, healthier durum for healthier lives, durum wheat-pasta value chain.

On the same topics, there will be selected 4 women scientists, working in developing and/or emerging countries, by special mentions for their work judged excellent, independently by high IF publications and/or important funding support.

Please note: all candidates can pay the registration to the congress after the selection by the Jury at the cost of the early fee.

The submission deadline is 30th of June 2022.
